Vagaries

Issue: 14

March

2021

Laughing at death is one of the last off-limits things in Western culture but in this fast-paced, beautifully written play, that is just what Ms Coleman does as she invites us to study the Patterson family, including all its secrets.

By his own calculation, Ron will die exactly 111 minutes after the opening of the show. He's invited the three adult children to the family home to have almost two hours of quality time with them before he goes.

Well, them and the undertaker! This is a true dark comedy.

Directed by Kate Dawson, with a strong cast, don't miss this one.

Performances are to be held on 18th, 22nd and 24th April 2021.

Tickets are now available on VHP website on the Bookings&Tickets page.
