Bright. Young. Things.

by Georgia Christou

On a reality television show, six remarkable – and remarkably young – geniuses are competing for the Golden Brain trophy and the coveted title of “Brainiest Child”. As the contestants battle it out round after round, the pressure mounts, the spotlights get harsher and each is faced with questions they were never expecting. Who will win and who will lose – and what exactly does winning mean anyway?

Bright. Young. Things. is the DIRT students' annual performance for 2025

We're still accepting Expressions of Interest (EOI) from performers - so whether you're a musician, comedian, dancer, magician or have some other

wonderful talent, we welcome your EOI to join this fun cabaret-style show.

Please complete the Expression of Interest form below to let us know more about your proposed act for DIVARAMA.

As always, we look forward to seeing you there!

Village Hall Players is looking for volunteers who would be interested in joining our management committee. The roles aren't arduous and, unless you would like to be involved in productions, your time commitment would be quite small. The management team meet every second month and are responsible for running the business of the entity that is VHP. We would love to welcome people who are interested in administration, finance and/or governance. You would be part of the team who make the final decisions on basically everything the company does, from productions to budgets.

VHP offers free training through courses with the Institute of Community Directors, if needed. These courses are held online and range from a 3-hour course to several months to get accredited as a community director. Job descriptions are available and I'm happy to discuss the roles with you. Email me at VHP.pres@gmail.com. Best of all you will be volunteering with a great team, having fun and helping keep VHP alive. Thank you for supporting us.
